

MASTER OF CEREMONIES

Inductee Program

Mayor Robin Laubaugh

Our induction ceremony MC is Robin Laubaugh, who is serving her fifth term as mayor of the City of Wadsworth. Prior to becoming mayor in 2008, Robin served on Wadsworth City Council for 10 years as council at-large and later, as president of council. She is Wadsworth's longest-serving mayor (16 years) and the first female mayor.

Between city meetings, Mayor Laubaugh is busy attending various community events, meetings with residents, businesses, officials or representatives throughout the county, attending sporting events and other key functions.

We are pleased to have Mayor Laubaugh with us tonight. She has been a strong advocate for sports in Wadsworth. Many improvements to sports facilities have been put in place because of her support as mayor of Wadsworth.

SPORTS HALL OF FAME

INDUCTEE

Drew Allar

Drew Allar, a Medina, Ohio native, emerged as one of the nation's premier quarterback talents through a record-setting high-school career at Medina High School. As a three-year starter, he threw for 9,103 yards and 98 touchdowns, including a spectacular senior season with 4,444 passing yards, 48 touchdowns, and 406 rushing yards. His breakout performance earned him Ohio Mr. Football and multiple statewide Player of the Year honors.

At Penn State, Allar continued his ascent, becoming one of the most efficient quarterbacks in program history. Over four seasons (2022–2025), he completed 633 passes for 7,402 yards, 61 touchdowns, and only 13 interceptions, finishing with a 63.2% career completion rate—the best in school history. He also added 732 rushing yards and 12 rushing touchdowns, showcasing his dual-threat ability. Allar set an FBS record by opening his career with 311 consecutive pass attempts without an interception, and he ranks among Penn State's all-time leaders in passing yards, touchdown passes, total offense, and wins as a starting quarterback.

HALL OF

Jodi (Johnson} Phillips
Basketball/Volleyball

Over a mere two calendar years, the 2016 Wadsworth graduate powered the Grizzlies past talented Mason to win the Division I state girls basketball title, celebrated again as undefeated Ashland

captured the NCAA D-II National Championship and was named the D-II National Player of the Year. Also a two-time All-Ohio volleyball player at Wadsworth, Johnson was a two-time first-team All-Ohio selection in basketball and scored 1,541 career points, including 25, 29, 24 and 28 while making 45-of-50 free throws (.900) over her final four games. Her personal winning streak extended to 87 games at Ashland, whose teams were 133-4 over her four seasons.

Kelly (Moskal) Smith

Golf

Moskal, a 1998 Brunswick graduate, won a state title in golf as a junior in the fall of 1996, defeating two-time defending champ Jessica Belskis of Worthington Kilbourne with a birdie on the first playoff hole at Ohio State University's Gray Course. Shortened to one round due to inclement weather, Moskal had a two-shot lead heading to the 15th hole, but fell into a tie with Belskis after her putt hit another player's ball for a two-stroke penalty. Moskal regrouped to par the final three holes before winning in sudden death. She went on to play one year of college golf at Florida and three seasons at Ohio State, where she was a three-time Academic All-Big Ten selection.

**Noah Baughman
Wrestling**

A 2016 Wadsworth graduate, Baughman won state championships for the Grizzlies as a sophomore and senior while finishing third his junior season. He went on to Cornell, where he was All-Ivy League three time and a national qualifier his senior season in 2020. The 165 matches Baughman won in high school ranked fourth in Medina County when he graduated and still sit 12th a decade later. He is one of seven wrestlers in the sport's decorated history to win at least two Gazette MVP awards. In high school, Baughman was also a Super 32 finalist and a Cadet All-American. In 2020 he was named to The Gazette's All-Decade team.

**Jon Teske
Basketball**

The 7-foot-1, 265-pound Teske, a 2016 Medina High graduate, remains the only player from a Medina County school to appear in an NBA game, doing so on three occasions with the Memphis Grizzlies in the 2021-22 season. At Medina, he was a four-year starter, two-time Gazette MVP and All-Ohio selection and a Mr. Basketball finalist as a senior. Teske then played four years at Michigan, helping the Wolverines reach the NCAA Tournament championship game as a sophomore and graduating in 2020 tied for the most games played in program history. He went on to a successful career with the Lakeland Magic, helping the team win a G League championship in 2020-21.

Mike Kyner
Al Thomas Award

The Al Thomas Award is presented to a Medina County community member who has been involved with and supported athletic programs.

A 1976 Wadsworth graduate, Kyner began doing public address announcing for the school's wrestling team in 1974. When boys soccer was started in 1979 and a girls program was added in 1986, he added those PA duties and hasn't stopped since. Before trainers were required at high school athletic events, the former emergency medical technician was known to race down from the press box to tend to an injured player, then run back up the bleachers and resume announcing the game. An avid soccer fan, Kyner also attends numerous road games, once going as far as Fort Wayne, Indiana.

2026 SPECIAL TEAM RECOGNITION

2016 Wadsworth Girls Basketball Division I State Champions

Sponsored by Jeri and Alan Penn

Featuring fellow hall of fame class member Jodi Johnson, as well as future Gazette MVPs Sophia Fortner and Peyton Banks as high-end role players, the Grizzlies upset Mason in the Division I state championship game to avenge their only loss of the season. Lexi Lance, Jenna Johnson, Laurel Palitto, McKenna Banks, Olivia Chaney and Maddie Movsesian rounded out the deep nine-player rotation as Wadsworth won a Medina County-record 28 games by an average of 25.2 points. The Grizzlies cruised through the Suburban League National Conference, won the Medina District by an average of 35.0 points, downed Magnificat and Toledo Whitmer at regionals and rallied to eliminate Reynoldsburg in the state semifinals at Ohio State's Value City Arena. A fast start allowed the Grizzlies to hold on against Mason, whose five future D-I college players included ones heading to Florida State, Arkansas and Marquette.

Medina Lions Miracle League Kiwanis Joe Tait Legacy Award

This award was developed because the Medina Breakfast Kiwanis Club believes that we need to recognize coaches, teachers and others involved in community-based or school-based teams that have had a positive impact on the lives of the athletes they coached and the community in which they coached.

The Miracle League program in Medina serves children and adults with physical and developmental disabilities, giving them a chance to play baseball on an accessible field.

Today, the league plays at Sam Masi Park, where the field is described as a fully handicap-accessible “challenger” or Miracle League Park.

The park’s Miracle League era began around 2012.

The field was built with a cushioned, rubberized surface to improve safety and accessibility for players using wheelchairs, walkers, and other mobility devices.

In 2022, the league launched a “Finish the Field” project to renovate and complete upgrades at the park. This project included:

- removing the grass outfield, which was harder for wheelchairs and walkers to use,
- installing a more accessible rubberized surface, and
- improving the home-run fence.

The league’s home field is now commonly referred to as the Medina Lions Field at Sam Masi Park, and the organization says it serves more than 150 players with special needs from Medina and surrounding communities.

The Medina Kiwanis Breakfast Club would like to recognize two gentlemen who were instrumental in developing the park and keeping it up to date with amenities for the special population and their families who use the field.

In the spirit of Joe Tait we want to thank Ken Richardson and Ron Knight for their dedication to the young people and adults who use the Medina Miracle Park.

Special Recognition

Ron Schwane Gazette Photographer MCSHOF Photographer

Ron Schwane was a highly respected sports photographer who spent decades working with the *Medina Gazette*, where he built a reputation as a true photojournalist known for capturing meaningful, game-defining moments rather than just visually striking images.

Over a career spanning more than 30 years, he covered everything from local high school athletics to major professional sports, with his work appearing in outlets such as the Associated Press, Getty Images, and *Sports Illustrated*.

Colleagues and community members remembered him as both a skilled professional and a friendly, generous presence who documented countless events across Medina County and the Cleveland sports scene, leaving a lasting legacy when he passed away in 2024 after many years of service to the newspaper and broader photography community.

Here are some of the many community organizations we have supported.

In 41 years we have donated over \$215,000 from the proceeds of our Hall of Fame event to local community organizations

We have also donated over 2.1 million hours of service and over \$2.2 million to local community organizations since our formation as a Kiwanis club in 1972

Organizations we support thru service and our grant dollars.

**The Gazette
& The Medina Breakfast Kiwanis Club**

Welcomes you

The Medina Breakfast Kiwanis Club and The Gazette established the Medina County Sports Hall of Fame in 1985. This is the 41st banquet and induction ceremony.

The Hall of Fame honors amateur and professional athletes from Medina County who have excelled in competition, been out of high school for at least 10 years and have lived in the county for at least five years. Inductees will have plaques displayed on our Wall of Fame located in the Medina Community Recreation Center.

Athletes who have been selected as members of the All-Gazette teams, the coaches and MVPs of those teams and The Gazette Senior Athletes of the Year are being recognized. The Fall, Winter and Spring Coaches of the Year will be honored, too.

Athletes of the year from Special Olympics are also being recognized.

The Kiwanis Joe Tait Legacy Award recognizes a coach/person who isn't simply interested in their win/loss record but encourages their players to become involved in their community by volunteering and doing charity work. We will recognize coaches or volunteers of both community-based teams or school-based teams.

We would like to acknowledge the generosity of our sponsoring individuals and companies for this year and the past 40 years. We hope you will enjoy this evening and share in the success of the athletes.

**Consider Joining Medina Breakfast
Kiwanis Club, one of Medina's premier
community service organizations**

We were formed in 1972 and celebrated our 50 years of service to Medina in September of 2022

We have contributed over \$2,200,000 in support of community projects while providing over 2,100,000 hours of service.

If you would like to be a part of a vibrant and very active community service club, you should consider joining us.

We meet the 1st, 2nd and 4th Thursday at the Grande Café and Roastery. Our meetings begin at 7 am and we are finished by 8 am

MEDINA BREAKFAST KIWANIS SPORTS HALL OF FAME COMMITTEE ANNOUNCES GRANTS TO BE GIVEN TO COMMUNITY ORGANIZATIONS

The Medina Breakfast Kiwanis Club Board of Directors will meet in August to review grant requests from community organizations.

The grants are for the use of funds generated from the annual Medina County Sports Hall of Fame event.

The focus of grants funded is on organizations that support children and families in Medina County.

In the past three years our Breakfast Kiwanis Club has given out over \$23,600 in grants. Since the beginning of our Hall of Fame event we have given out over \$215,000 in grants to community organizations.

The Grant application deadline will be August 1st.

Contact our club grants committee chair Richard Ziegler at medinabreakfastkiwanis@gmail.com for an application.
